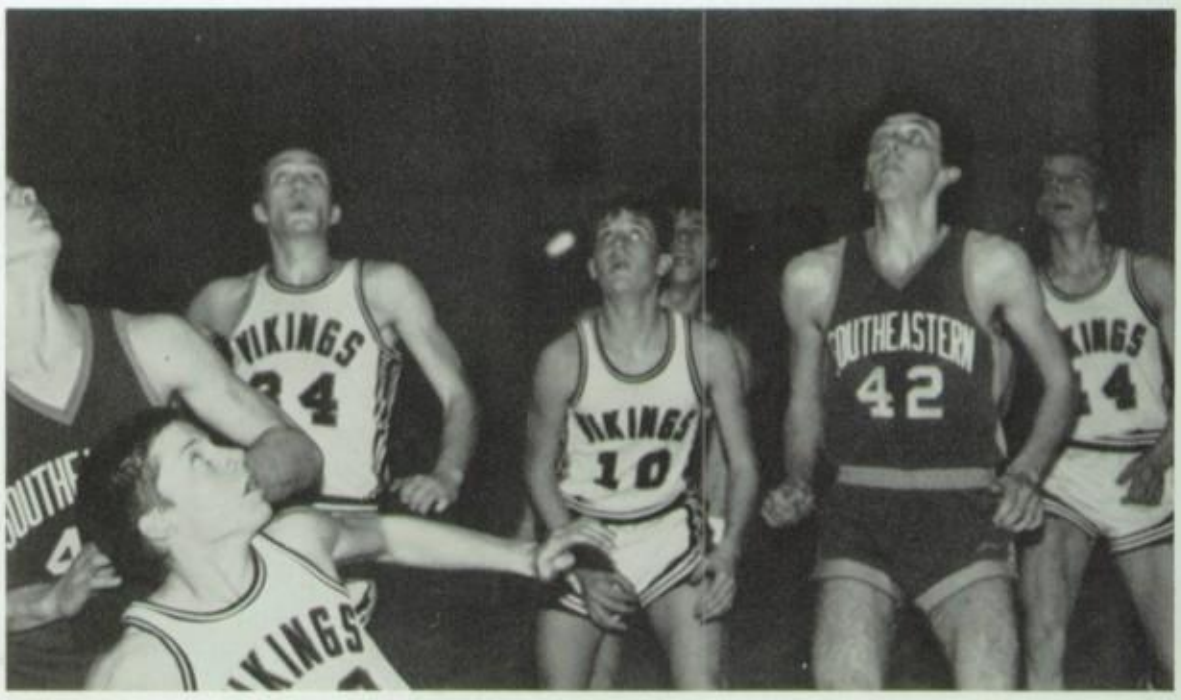
You can see yourself in this floor!!



Wicked pickle! Would ya look at that?!

The Student Council and the Cheerleaders sponsored a very successful and memorable Hawaiian Homecoming. Classes participated in a number of activities, including shoe races, relay, limbo, three legged races, tug-o-war, Mr. Homecoming, Area Beauty Contest, and airband.

The winners of the tug-o-war were Senior guys and Sophomore girls. The Junior guys won in a rematch, but the Seniors kept their title.

In the Air Band competition, the Sophomores were granted fourth place. This was very good when you consider that they didn't enter the competition. The Freshmen won third place with their rendition of Judas Priest. The Seniors placed second with their interpretation of David Lee Roth and Ratt. But the winners were the Juniors with "the ultimate party song Louie Louie" by the Kingsmen.

The winner of the area beauty contest and bearer of the title "Miss Beautiful" was Miss Colusa, Troy "Tasha" Kenny. Troy and the other contestants competed in three categories: Evening Gown, Talent, and Personal Interviews. They were judged by Shanna Kelly, Alicia Dusenberry, and Renee Reinhardt.

The Seniors captured first place in the poster competition. "It's the best poster I've seen since I've been out here," remarked Phil Nudd, master of ceremonies. Second place went to the Juniors, third place to the Sophomores, and fourth place to the Freshmen.

In the Mr. Homecoming Competition, the Seniors won. Brad Eaves, Eric Moore, Jeff Eaves, and Rustee Schafroth represented their respective classes.

The cheerleaders entertained us with their dance, "Land of Confusion" by Genesis, and with their skit - a dance to a melody of beach songs.

This year, even the teachers got involved in the festivities with "The Faculty Shuffle," which got more than its share of chuckles.

All in all, we had a great Homecoming. Thanks to the spirit of all students AND faculty, it was a tremendous success.

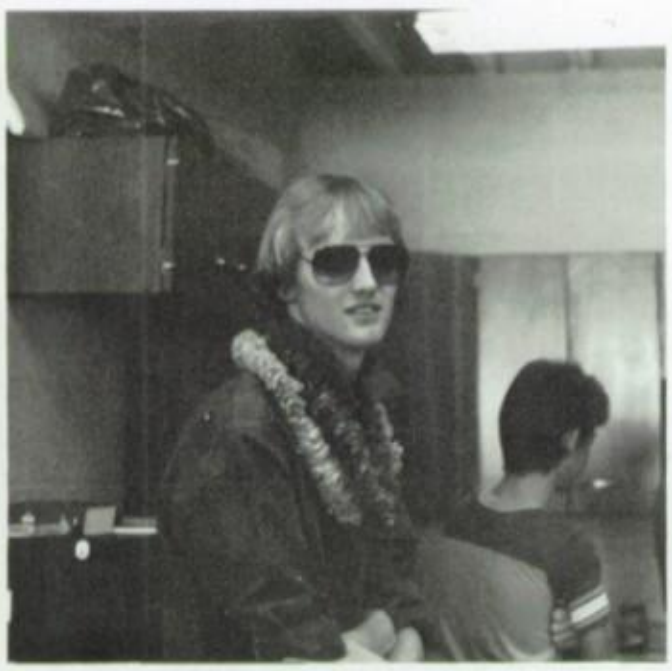
THE FACULTY SHUFFLE

We're the faculty of N-C High
We're as American as apple pie
We teach, we preach, we give advice
And every fall we check for lice.
It's winter now, and now's the time
To show our fans that we're real fine.
The Southeastern Suns better watch out 'cause our homecoming game will be a blow-out.
We're here to rap and do the Homecoming Shuffle and here are our words without muffle
I'm Mrs. Yager, the schedule maker, I plan your day from morning to night
and if you do it you'll be all right. In four short years if all goes super
you'll graduate and begin your future.
I'm Mrs. Clark and I want you to know
Our cheerleaders are ready and going to show.
We jump and yell and dance all about.
The Suns have no chance to push us out.
So bring on the Suns to push and fight we got the spirit to win TONIGHT!
I'm Mrs. Jefferson the dancing teach,
I tell you when to shuffle and how to move your feet.
All this dancing will keep your shape great
and help change Southeastern's fate.
I'm Mr. Finton and history's all mine,
From Adam and Eve to the present time.
I hope you've been listening to all the chants
so you'll be ready for the homecoming dance.
I'm Mrs. Yockey, the typing teach,
I'm here to tell you your fingers do reach.
Sit up straight, feet flat on the floor
J. J. Jspace, type some more.
Cómo está usted, Señors.
We speak Spanish within our doors.
We are cool, tough, and boss.
Too bad the Suns will suffer a loss.
I like books, I like it this way.
Turn in your books or I'll make you pay.
We order, trade and try to keep ahead.
Too bad Suns, I think you're dead.
My name is Mrs. Langford my job has a range
from writing passes to making change.
I keep accounts, I tend the phone
and I'm never in the office alone.
My name is Mrs. Wolfe, the chemistry prof.
Don't mix me up with David Lee Roth.
I mix them, I stir em, shake em all about,
the end result is how it should turn out.
I'm the Principal, Yockey's my name.
When there's trouble I don't know who's
to blame. Could be worse, could be crueler,
but it you mess up I'll throw you in the cooler.
I'm Mr. Lear, I'll make the answers clear.
Solving problems is my game.
Students please, no wrong answers the same,
Hand in your notebooks and watch your points grow.
If you don't have it, there your average goes.
I'm Mr. Byrn, a man among men,
take my advice and you're sure to win.
For I taught Simpson to read and Kentch to eat
and I taught the Seniors not to cheat.
I'm Mr. Mixer and we work on cars,
if we don't do that they won't go far.
I just like to say we need some room,
so get the Viking out real soon!
I'm Mr. Sampson and I like to hunt,
I haven't shot all the creatures I want.
I always hunt far and wide,
but with a compass at my side,
and when I hunt, I walk and walk and always pray to God
I won't get lost.
My name is Steamer, the JV Screamer.
At the line were not so fine.
But our bricks are about 3'9.
But on the floor, we will score,
I hope the Suns don't score more.
I'm Miss Mosena and a teacher too.
Don't mention driving cause I go Boo Hoo,
I need insurance because of my past
or take Drivers Ed. again and pass.
I'm Mr. Spyres, the preacher-teacher.
I teach accounting with all its features.
There's lots of homework and you must do it-
for if there no balance there is no allowance.
I'm Mrs. Burger, in charge of cash flow.
In comes the money and out it goes, every 2 weeks I write them a check.
Out goes the Money - Oh, what the heck!
They call me 'tater, I like to drive-above 55.
We drive on days that aren't too nice,
but please Lord, don't give us ice!
I'm Mr. Sprout, another Bobby Knight,
only I got team that ain't quite right.
Bolton can't dribble, Simpson can't shoot,
Siegrist won't pass and Brett can't find the hoop.
Kentch can't jump and Eaves has bad hands
and Knipe's so bad he sits in the stands.
We wrote some words, not bad, not good.
Blowing your minds like we knew we would.
You know we're just shuffling for fun.
Strutting our stuff for everyone. We're here to cause no trouble.
We're just here to do the FACULTY SHUFFLE.

All right guys, here's the plan.

When we grow up . . . we are gonna live on a pineapple farm.



My future's so bright, I've gotta wear shades.

I AM the band.

Oh! Hi what am I doing here?

Never trust a smiling face.

I want popcorn.

I, the VIKING!

This is my dramatic pose.
